Propaganda --

Broken Land -- Great Chief Haienthwatha today told a cheering Council of Fifty that the Iroquois War Parties sent to give aid to the suffering Muskhoegan people had been ordered to purge the tribe of all braves who are now or were in war paint at the time of the Great Sacrelige. "Only in this manner can the violation of the Sacred Territory be avenged, so that the Wrath of the Gods may be lifted from the Muskhoegan nation, and the Muskhoegan people may once again prosper -- under the benevolent rule of their Iroquois brothers." ##### The Great Chief also spoke of the Mad Squaw who masquerades as leader of the once-proud Apache nation, informing the Council that a massive force of Iroquois warriors was attacking the remaining Apache War Parties on all fronts, and promising the extermination of the last Apache brave by the end of 1613. "We shall have the forked-tongue of the Squaw on a platter to present at the next AUTUMN meeting of the Council." ##### Finally, Chief

Propaganda --

Wind River -- The Iroquois Chief-Who-Fights-Like-a-Squaw has been twice offered a face-saving draw, but has twice refused it. DDD (Continued) --

save Paris. You have spent too much time being a bully with brave Germany. Where are your pals you were so contented with when I needed you? As for assuming battle stations, aren't you going to do that anyway? If you want to wield the knife, do so right in front of Russia, Italy and Turkey, so they can see the "truth" of your words and your many "kindnesses". So they can beat the tar out of you for safety's sake.

Paris -- Rome: I have trusted you. Don't be an England and stab the hand of friendship.

Propaganda --

Arnor -- Quadruple Alliance? Knowing the bad things that come of quadruple alliances (mainly, they don't work!), one would hardly want to call a bug-stomping society a QUADRUPLE ALLIANCE, especially when one of the supposed members of the supposed alliance is on your team. End of lecture. P.S. One should start small with any collection. Why not start with flip-top rings, or maybe cigar bands?

SORHED/Lord of Fordor/Boss of the Nozdrul/Proprietor of Bardahl (cheapest high-rise apartments in town!)

Edoras -- It was announced today that Theoden's kinsman, Eowyn, missing and presumed dead for many months, has finally been found under the protection of the Ents of Fangorn. Though suffering from exposure to Arnorish influence when first found, she has recovered, and has vowed to help the Ents in their quest to destroy the Ogre of the North.

Rohan -- Arnor: I have always been a believer in the maxim: "Actions speak louder than words." Don't go deaf on me, hear?

Excerpt from the MISTY MOUNTAINEER -- It would seem that only children or fools would be smiling in Arnor in times such as these. Which is Elrond?

A couple more queries mit replies --

1. SA Fonebone is in Fangorn; SA Bestertester is in W.Emnet; SA Karbunkle is in Edoras; SA Laura Lipschitz is in Isen; these are on the same side. DA Curls is in Isengard (fortress destroyed); SA Clumsy Carp is in Dunland; these two are together. The following orders are given:

SA Fonebone (S) SA Karbunkle-Isg; SA Bestertester (S) SA Karbunkle-Isg; SA

Karbunkle-Isg; SA Laura Lipschitz (S) SA Karbunkle-Isg.

DA Curls-Fan; SA Clumsy Carp (S) DA Curls-Fan.

What happens? ((Karbunkle takes Isengard, Curls takes Fangorn, dislodging Fonebone who must retreat. Fonebone's support is cut, remaining supports are good.))

2. SA Thor is at Dagorlad; SA #2 is at South Rhun. Orders: SA Thor-Ash Mtns; SA #2-Dag. Again, what happens? ((SA Thor takes Ash Mtns, SA #2 takes Dagorlad.))
